

George Njau

SYSTEM ANALYST

To: Kaizen Ltd

Dear Hiring Manager,

I am thrilled to submit my application for the System Analyst position at Kaizen Ltd. With 6 years of experience in Cyber Security and IT Security Specialist roles, I am confident in my ability to contribute effectively to your team.

I bring value to the table through:

1. Advanced expertise in Business Process Risk Assessment and Business Continuity Planning.
2. Proven track record in conducting audit testing, identifying key IT control points, and preparing comprehensive risk assessments.
3. Exceptional skills in problem-solving, logic, and root cause analysis, vital for enhancing control structures and operating processes in alignment with organizational goals.

I am enthusiastic about the opportunity to further discuss how my background, skills, and enthusiasm for IT auditing align with the needs of Kaizen Ltd. I am looking forward to the possibility of scheduling an interview to explore this exciting opportunity further. Thank you for considering my application.

Warm regards,
